FREEDOM OF INFORMATION ACT REQUEST

EXPEDITED PROCESSING REQUESTED

Dear Mr. Seaton:

Pursuant to the Freedom of Information Act, 5 U.S.C. Section 552 et seq. ("FOIA"), I request access to and a copy of a Houston Police Department burglary report concerning 11402 Noblewood Crest in Houston, Texas from August 2011. To assist in the search, the reported break-in was said to have occurred on Friday, Aug. 5, 2011, though the report may not have been made until Saturday, Aug. 6, 2011.

This request is ongoing, seeking copies of (or access to) all Records as they are filed with the Environmental Protection Agency. I am further requesting that the Records be provided to me on computer files or, if not maintained on computer files, in the same format as they are currently maintained at the Environmental Protection Agency.

I am a reporter for Bloomberg News, an accredited and recognized news-gathering organization. I request the Records to inform the public about matters of public concern. As a representative of the news media, I am only required to pay for the direct cost of duplication after the first 100 pages. Please waive all applicable fees. In the event a fee waiver is not granted, I agree to pay reasonable fees for the Records, including actual costs up to \$250. If you estimate that actual costs will exceed this amount, please contact me so that I may make the appropriate arrangements for payment.

I request that these materials be subject to expedited processing on an ongoing basis: Bloomberg News is engaged in the dissemination of information to the public and the subject matter related to this request -

fraud by people representing themselves as biofuel producers - is a matter of great public interest, debate, and urgency. I certify that my statements concerning the need for expedited processing are true and correct to the best of my knowledge and belief.

FOIA requires that your agency respond to my request for expedited treatment within 10 business days. In the event your agency denies my request for expedited treatment, whether through your agency's affirmative denial of the request for expedited treatment or through your agency's failure to respond to the request for expedited treatment, then FOIA requires that your agency nonetheless respond to the underlying request for information within 20 business days of receipt of this letter. This request is segregable, and your agency may not withhold entire records because of one section that you believe is exempt from disclosure. Under federal law, if you choose to withhold any such parts of the records from disclosure, you must specify in a written response the factual and legal basis for withholding any part of the Records.

Please contact me if I may assist in your office's response to this request. As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone or email, rather than by mail, if you have questions regarding this request.

Thank you for your assistance.

Sincerely,

Jennifer A. Dlouhy
